## ATHLETE SPONSORSHIP

The Special Olympics Alaska Anchorage Community program is a sub-program of Special Olympics Alaska, a 501(c)(3) non-profit organization that provides year round sports training and athletic competition in a variety of Olympic-type sports. Currently Anchorage provides training in 14 different sports for people eight years of age and older with an intellectual disability and/or a closely-related developmental disability. Not only do our athletes prepare for competition by learning specific sports skills, they also gain opportunities for greater participation in family, school and community life.

There is no fee charged to the athletes to train and compete. The overall budget for our program for sports training and local competitions, for all 14 sports, is approximately \$60,000 per year. This is for over 300 athletes, 100 unified partners, and many coaches and volunteers. The program continues to grow each year. All unified partners and coaches volunteer their time and expertise, at no charge to the program. All administrative support, including the position of Anchorage Community Director, is also accomplished through volunteer effort. Special Olympics Alaska Anchorage Community is responsible for raising funds to pay for the following:

- Training fees
- Sporting Equipment & Uniforms
- Facility Rentals
- Cost of local competitions
- State Games Registration

By participating financially in Special Olympics Alaska Anchorage Community, you will be ensuring that crucial sports training and competition will continue for people with intellectual disabilities in our community. If you would like to sponsor an athlete or unified partner, please complete the information on the reverse side. Special Olympics Alaska Anchorage Community wishes to thank you for any support you are able to give, whether monetary or otherwise.

Respectfully yours,

Donna Davidson

Volunteer Community Director
