Special Olympics Alaska Mission

Special Olympics Alaska provides year-round sports training and athletic competition in a variety of Olympic-type sports for people eight years of age and older with intellectual disabilities, giving them continuing opportunities to develop physical fitness, demonstrate courage, experience joy and participate in the sharing of gifts, skills and friendship with their families, other Special Olympics athletes and the community.

**Kodiak Community
 Funding & Support**

A little about our Special Olympic Alaska Programs

Unified Sports: A program that combines athletes with and without intellectual disabilities to form sports teams for training and competition, dramatically increasing inclusion of people with intellectual disabilities. An estimated 50,000 athletes now participate worldwide in Unified Sports. Unified Sports is endorsed and developed by Special Olympics International. Kodiak currently includes Basketball, Floor Hockey, and Bowling as Unified Sports.

Partners Club: A Special Olympics Alaska sponsored school based club for students with and without intellectual disabilities. This club offers social, recreational and sports opportunities. The sports opportunities are a Unified Sports program that combines approximately equal numbers of Special Olympics athletes and athletes without intellectual disabilities (called Partners) on sports teams for training and competition. (Point of Contacts: Stacey Street-KHS & Kim Dorner-KMS)

YAP: Special Olympics Alaska is partnering with Alaskan schools to implement the new and exciting Young Athlete Program. This program is a developmentally appropriate play program for children with intellectual disabilities two through seven. (Point of Contact: Margaret Kavanaugh-Peterson Elementary School)
